

30-Pin Bluetooth Audio Receiver

Stream music wirelessly to your
30-pin speaker dock

Overview:

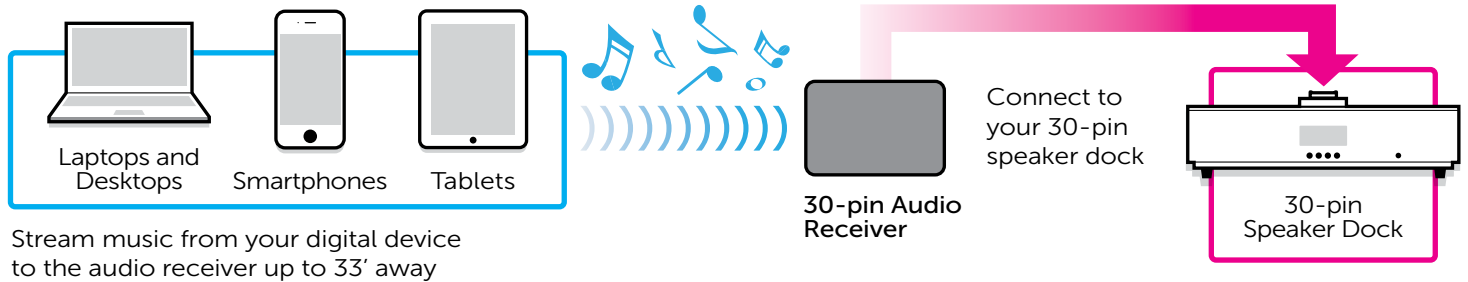

The 30-pin Bluetooth Audio Receiver is the perfect solution to stream music wirelessly from your computer, smartphone, or tablet to your 30-pin speaker dock up to 33' away.

Apple's new proprietary lightning connector featured on the Apple iPhone 5, iPod Touch (5th Gen.), iPod Nano (7th Gen.), iPad (4th Gen.) and the iPad mini made your 30-pin speaker dock obsolete overnight. No need to throw away your 30-pin speaker dock or buy a new one.
