User Manual
ASHDPF08F

For ongoing product improvement, this manual is subject to modification without prior notice.

What's-In-The Box?

Power Adapter   Frame Stand

Let's Power Up!

Connect the power adaptor to an outlet to turn the frame on.

Download and install "eco4life" App on your phone

Download eco4life app by scanning the QR code or searching "eco4life" from app store.

Once the "eco4life" app is installed, please follow the on screen instruction to register an account.

Your network

How to add your Smart Frame

Step 1: Connect the frame to your Wifi Network
1. Power on the frame and tap "Setting" on the frame menu.
2. Select Wifi Settings and enable Wifi function by sliding the switch in the top right corner to the right (the color should change from gray to green)
3. Select the name of your router and input the password to connect

Step 2: Launch the eco4life app, press "**+**" to add a device (Image 1). On the following screen, press "🖼" to enable QR code scanning (Image 2).
