Package Contents

Your order has been carefully packaged and inspected. The following should be included in your package. Please inspect the contents of the package to ensure that you have received all items and that nothing has been damaged. If you discover a problem, please contact us immediately for assistance.

| 3-Port USB 3.0 Hub with Gigabit Ethernet Adapter | Quick Start Guide | Warranty / Registration Card | Driver CD |

Software Installation (PC)

⚠ **IMPORTANT!** Please install software before connecting hardware.

Step 1:
Insert the Aluratek USB 3.0 Hub - Gigabit Ethernet Adapter Driver CD into your disk drive. The auto-start should start the installation. If auto-start is disabled, please find and double click the disk drive in "My Computer". Please double click "Setup" in the folder matching your OS (Win 7, 8, XP, Vista) to start the installation.

Step 2:
When the installation is completed, click "Finish", you may need to restart your computer if prompted.

Step 3:
Connect AUEH0303F to your computer via the USB port. You will see a pop-up message in the notification area when the installation is completed.

Step 4:
Please connect an active ethernet cable to AUEH0303F to complete the installation.

Software Installation (MAC)

⚠ **IMPORTANT!** Please install software before connecting hardware.

Step 1
Insert the Aluratek USB 3.0 Hub - Gigabit Ethernet Adapter Driver CD into your disk drive. Double click the CD icon and navigate to the directory of Driver\Mac

Step 2:
In the directory, double click "AX88179_179A.dmg" to execute the installer.

Step 3:
Click "Continue To Install" and your computer will restart automatically.

Statement / Technical Support

Radio and TV Interference Statement
WARNING!!! This equipment has been tested and found to comply with the limits of a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by whatever measures may be required to correct the interference.
Technical Support
If you need further assistance, please contact the Aluratek support department for troubleshooting prior to returning this device.

Warranty

Aluratek warrants this product against defect in material or workmanship for **1 Year** from the date of purchase.

This warranty becomes invalid if the factory-supplied serial number or "warranty void" sticker has been removed or altered on the product.

This warranty does not cover:
A) Cosmetic damage or damage due to acts of God
B) Accident, misuse, abuse, negligence or modification of any part of the product.
C) Damage due to improper operation or maintenance, connection to improper equipment, or attempted repair by anyone other than Aluratek.
D) Products sold AS IS or WITH FAULTS.

IN NO EVENT SHALL ALURATEK'S LIABILITY EXCEED THE PRICE PAID FOR THE PRODUCT FROM DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THE PRODUCT, IT'S ACCOMPANYING SOFTWARE, OR IT'S DOCUMENTATION.

Aluratek makes no warranty or representation, expressed, implied, or statutory, with respect to it's products, contents or use of this documentation and all accompanying software, and specifically disclaims it's quality, performance, merchantability, or fitness for any particular purpose. Aluratek reserves the right to revise or update it's product, software or documentation without obligation to notify any individual or entity.
